Infosys Springboard	The institution tied up with Infosys Springboard to provide seamless access to more than 50000 courses to the students of MIET. As part of this association the students are required to undertake a few mandatory courses from this platform. The students also get access to more than 500 courses from Coursera as part of this MoU. This is used to promote self-learning among the students.
Ureka Education	The institution has tied-up with Ureka Education to offer experiential learning in the emerging domains like Artificial Intelligence, Cloud Computing etc. and international internship opportunities.
Partnerships/Memberships	
Confederation of Indian Industry (CII)	The institution is a lifetime member of CII. The institution leverages its network by inviting experts from industry partners for guest lectures. The department also participates in the annual meetings to get updated on recent developments made in the local business community.
ASSOCHAM- Jammu chapter	The institution has recently subscribed to the annual membership of the recently established chapter of ASSOCHAM at Jammu. The institution intends to lead the sub-chapter for the education institutes to be constituted under its Jammu Chapter. The institution also intends to offer consultancy to its partner members and further explore placement opportunities across the country by its 1,00,000 partner organizations.
NASSCOM	The institution has also subscribed to the annual membership of NASSCOM for the last two years to keep abreast with the latest trends in the IT industry. The institution implemented Future Skills Prime which is a national level skill portal developed and implemented by NASSCOM offering skilled courses in association with industry partners. All the students are actively undertaking courses on this platform and has become a very key part of the student's self-learning at MIET.
