PLACEMENT REPORT

2024-25

»» FOREWORD

The Training and Placement Cell at Model Institute of Engineering and Technology is pleased to put forth the placement report for 2024-25. The placement outcomes during 2024-2025 represent the best-ever numbers with 230 offer letters being received by the graduating batch. B.Tech programs secured 150 offers of placement from leading organizations and School of Management received 80 offers of placement, across MBA, BBA, and B.Com programs.

These outcomes reflect the intrinsic talent of the MIET students and the collective efforts of the faculty and placement teams to ensure that the best possible opportunities are created for the students. MIET has set high standards for value-based education and is preparing students for cutting-edge industry jobs by exposing them to advanced tools and technologies through its linkages with industry leaders such as Vedanta Resources, TCS, BigBasket, PayTM, Successive Digital, Intellivate Technologies, ZopSmart, Cognizant, Celebal AI, Tech Mahindra, Intellipaate Technologies, Atomic North, Sobha Developers, Cemtics Solutions, Berger Group and ASC International.

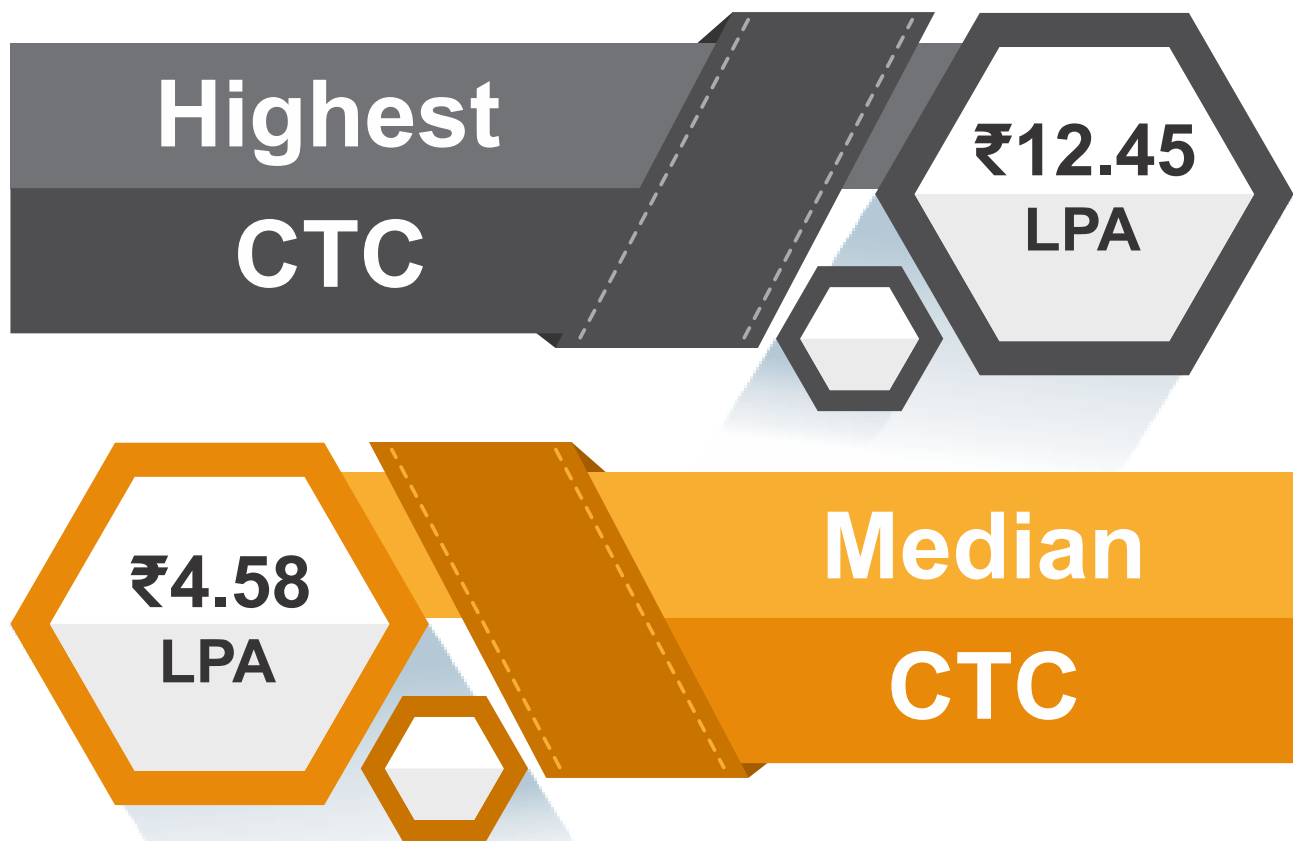

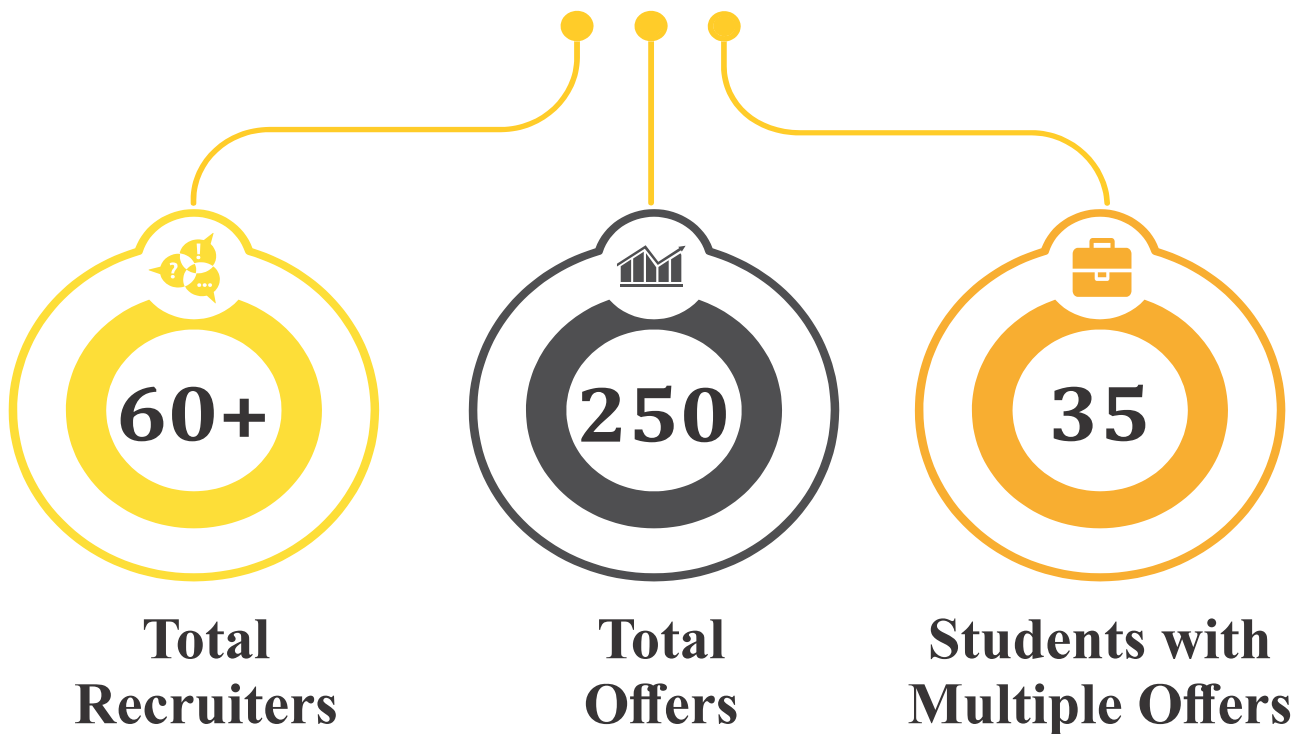

This year around 60+ top-tier recruiting organizations participated in the campus recruitment process. Our prominent recruiters included industry leaders such as Vedanta Resources, BigBasket, PayTM, Cognizant, Tech Mahindra, TCS, Codeyoung, Atomic North, Bluepond.ai., ICICI Bank, Intellipaate, Successive Digital among others.

We express our gratitude to the recruiting organizations and all stakeholders for an outstanding placement season and hope to cross the mark of 300 offer letters by the end of the semester.

Looking forward to an equally successful placement season in the next session.

Prof. Sahil Sawhney
Dean Strategy and Quality Assurance
