**Consent to Publish & Transfer of Copyright  
for Contributors to Books**

In order to protect the Work against unauthorised use and to authorise its dissemination by means of offprints, legitimate photocopies, microform editions, reprints, translation, document delivery, and secondary information sources such as abstracting and indexing services including databases, it is necessary for the Author(s) to transfer copyright in a formal written manner. The Consent ensures that the Publisher has the Author's permission to publish the Contribution.
