

CIRCULAR

Research Promotion Incentives - 2021

The management is pleased to notify the revised incentives for research under the Research Promotion Scheme. The revised incentives reflect the mission of the institution to promote qualitative research and to realize its vision of being recognized as a respected center of research and development in the region. It is therefore anticipated that the MIET faculty shall make all efforts to raise the quality of research output in the years to come. These incentives are applicable effective 1st April 2021.

| S.No | Category | Financial Incentive |
